

Kidney Stones:

Medical Class 1, 2, 3

Report to the FAA 1. Please provide a current status letter from the treating physician to include treatment of kidney stone, as well as prognosis for recurrence. If there are any stones remaining there must be a statement regarding stability and likelihood that the stone will drop. Also, please provide a copy of a post treatment x-ray, ultrasound, CAT Scan or I.V.P. report that provides evidence that there are no further stones. A summary of ALL medications used with dosages, and a statement regarding any side effects.

If there are any retained stones a comment by the doctor as to the likelihood of the stones moving needs to be included.
